

Bakery Extension Project Project Implementation

Greencore's Prepared Meals Solutions business produces chilled ready meals, chilled pasta sauces, chilled soup and quiche for the major retailers in the UK.

THE PROJECT

Greencore Prepared Meals needed to increase capacity of its Bakery at Kiveton to deliver a "Bigger Better Bakery".

THE CHALLENGE

Protolan provided managerial assistance to deliver the implementation, phasing and integration of new equipment including the modification of existing equipment to facilitate the increase in supplier demand.

DELIVERING SUCCESS

Working as part of the integral team at Greencore, Protolan successfully delivered this scheme against all commercial objectives.
